

# I live here - have you seen me?

Why don't you create a poster/information sheet about a species you've seen or you would like to see at Pendarves Wood Nature Reserve?

Below is a ready-made template that you can print and complete or that you could add images/text to on a computer, if you prefer.

If you haven't managed to visit Pendarves Wood to find a species to draw or to photograph, a list of some of the species that can be found here is provided on the next page. There are many more which aren't on the list, so you're very welcome to go exploring to see if you can find something different!

When you have completed your poster, you can send it to Sally at Budding Nature (see below), who will pass it on to Cornwall Wildlife Trust, who we hope will be able to publish it on their website and/or social media, and to place it at Pendarves Wood itself.

Email your poster to:

[info@buddingnature.co.uk](mailto:info@buddingnature.co.uk)

## Pendarves Wood species suggestions:

### Plants

Honeysuckle  
Foxglove  
Water Mint  
Bugle  
Woody Nightshade  
Fool's Water-cress  
Wild Angelica  
Wood-sorrel  
Horse-chestnut  
Holly  
Common Vetch  
Dog Rose  
Wild Strawberry  
Cuckooflower  
Garlic Mustard  
Common Dog-violet  
Tutsan  
Hazel  
Pedunculate Oak  
Bog-myrtle  
Marsh-marigold  
White Water-lily  
Marsh Thistle  
Goldenrod  
Ramsons  
English Bluebell  
Star-of-Bethlehem  
Black Bryony  
Water Figwort  
Hard-fern  
Soft Shield-fern

### Amphibians

Common Toad  
Common Frog  
Palmate Newt

### Birds

Grey Heron  
Mallard  
Common Buzzard  
Mute Swan  
Coot  
Moorhen  
Woodpigeon  
Great Spotted Woodpecker  
Blackcap  
Goldcrest  
Grey Wagtail  
Dipper  
Long-tailed Tit  
Blue Tit  
Great Tit  
Nuthatch  
Jay

### Insects

Beautiful Demoiselle  
Azure Damselfly  
Golden-ringed Dragonfly

Common Eyelash Fungus  
King Alfred's Cakes  
Candlesnuff Fungus  
Lawyer's Wig  
Parrot Waxcap  
Sulphur Tuft  
Porcelain Fungus  
Oak Mazegill  
Jelly Ear Fungus

### Mammals

Grey Squirrel

## I live here - have you seen me?

Write species name here

This space is for a **picture of your species** – draw/add a picture here, or you could insert a photograph you've taken.

Use this space for a **second picture** or a **continuation of your text**

### This space is for text

Include some information about your species such as:

- what sort of species it is, e.g. bird, insect, mammal, plant
- what it looks like
- where to find it
- when to find it
- what it feeds on
- what feeds on it
- any other interesting facts
- why you like it
